This competition is open to Archers who are members of Archery GB or a World Archery affiliated organisation. Crossbows and professional archers are not permitted.

This competition will be shot in two details, with up to two archers per detail, totaling a maximum of four per target. Please consult the club web site for the latest information. Compound archers (at 50m & 30m) will each use a separate 6 zone target 80cm face with 2 or 4 faces per boss – all other bow types use 122cm faces at the first two distances and 10 zone 80cm faces thereafter.

Entrants must declare their Archery GB membership number on the entry form and membership cards may be required when registering on the day. Failure to do so will result in you not being allowed to shoot.

The Blandy-Jenkins field is a shared playing field; as such, lost arrows cannot remain unaccounted for. To minimise the risk of undetectable arrows being left on the sports field, archers are encouraged not to use all-carbon arrows. Archers wishing to use all-carbon arrows are required to indicate on the entry form, and to identify their equipment to the organisers at registration and also on departure.

The tournament organiser, WAA, GAA, Blandy-Jenkins Archers, and Llanharan Recreation Ground Trust cannot accept any responsibility for loss, damage or injury to persons, property or equipment before, during, or after this tournament, howsoever caused.
