

*A proud band of Glamorgan archers  
Came together to answer the call  
To shoot for their county  
To represent Glamorgan all*

*They shot the day true sports persons  
Every arrow shot with skill  
To come home without the Trophy  
Would be such a bitter pill*

*Every arrow counted  
Every end was tightly fought  
All the scores were tallied  
Every possible point sought*

*After came the medal ceremony  
The team got second again and again  
We smiled and clapped for the other counties  
But our hearts every time felt the pain*

*Then came the Junior team scores  
A ray of hope started to gleam  
The juniors pulled off the impossible  
Making us Glamorgan the winning inter-counties 2016 Team*

*So I thank you for your effort  
Competing with heart and pride  
I thank you for your sportsmanship  
Making Team Glamorgan the winning side*

*Thank you  
Stu  
2016 team manager*
