Cymric Archers

Pembrey Country Park SA16 0EJ

The Welsh Archery Association (WAA) are very pleased to announce that the Inter-County Championship will this year be hosted by the Dyfed Archery Association (DAA) on Sunday September 8<sup>th</sup> 2024 at Cymric Archers, Pembrey Country Park, Llanelli, SA16 0EJ.

The tournament is designed to give club archers in Wales the opportunity to compete in a high level team event and provide a stepping stone to national and international competition.

The tournament will be followed by the WAA AGM.

## Format

Each county can enter teams of (up to) 4 archers, comprising two male & two female (with the top 3 to score) in any / all of the 8 categories listed below.

Categories: Senior/50+ Recurve, Senior/50+ Compound, Senior/50+ Barebow, Senior/50+ Longbow  
Junior Recurve, Junior Compound, Junior Barebow, Junior Longbow

Senior Archers in all Categories will shoot:	WA 720 (6 dozen arrows: Recurve & Longbow 70m/122cm Face, Compound 50m/80cm Face, Barebow 50m/122cm Face)
50+ Archers in the Senior team all Categories will shoot:	WA 720 (6 dozen arrows: Recurve & Longbow 60m/122cm Face, Compound 50m/80cm Face, Barebow 50m/122cm Face)
Junior Archers in all Categories will shoot:	WA 720 60m for U18 Metric 122 - 50m for U16 Metric 122 - 40m for U14 Metric 122 - 30m for U12

This competition is closed; only members of Welsh county teams will be eligible to enter. Individual entries are subject to space being available after all county teams have entered.

A "levelling" clause will apply on the day by allowing a 2<sup>nd</sup> and/or 3<sup>rd</sup> score to be added to a team of one and/or two archers. That score will equal the lowest score shot by an archer in that category. This will enable counties to enter more than one team in a category if they so wish. In this case, team members must be nominated before the match

## Timings

The timings for the day are:

09:30 Team managers' meeting with organiser & judges  
09:45 Kit Inspection  
10:00 Assembly  
10:15 Practice  
10:45 Commence shooting

## **Carbon Arrows**

- To minimise the risk of undetectable arrows being left on the range, archers are encouraged not to use all-carbon arrows. Archers wishing to use all-carbon arrows are required to identify their equipment to the organisers at registration and also on departure.

## **Shooting**

- Method 2 will be used to control shooting, i.e. each detail will shoot timed ends of six arrows.

## **Scoring**

- As we will be shooting Metric Rounds, 10 zone scoring will apply.
- In the event of a tie, the number of golds (10s) will be used to determine a winner.
- Although the winning county in each category will be determined by adding together the top 3 actual scores, the overall competition will NOT be determined by just adding all the actual scores together. Instead, the winning county in each category will be awarded 5 points, 2nd will get 4 points, 3rd gets 3 points, 4th gets 2 points and 5th gets 1 point. The winning team gets 5 points even if not all counties compete in that category. In the event of a tie the number of 1<sup>st</sup> then 2<sup>nd</sup> places would be used.

## **Eligibility**

1. All archers taking part must be member of the WAA at the time of the competition.
2. No Senior archer who has represented Wales or GB in the 12 months prior to the date of competition will be eligible to compete in the discipline for which they were a team member. Senior archers who have been members of a GB or Welsh squad will be eligible.
3. No Junior archer who has been a member of a GB team will be eligible to compete in the discipline they were a team member for. Junior archers who have been members of a GB squad, or a Welsh team/squad, will be eligible.
4. Preference should be given to archers who have not been members of the Welsh squad in the 12 months prior to the date of the competition.
5. Outside the eligibility rules above, the individual Counties are responsible for setting their own criteria for team selection.
